Selection criteria for Local April Start Students (Year 12 WACE)

All Students

In view of the additional pressure on students because of the late start and the limited choice of academic subjects available, students will be selected for this program according to the following criteria:

1. You are university bound or entering State Training Provider (TAFE).
2. You have recent, relevant background at Year 11 or Year 12 level. Evidence of academic background must be provided with application form. Minimum requirement is a ‘C’ at Year 11 level.
   Background is essential for Physics, Chemistry and all Mathematics subjects.
3. You are sufficiently motivated to cope with the rigour of an intensive 28 week program.
   You are advised to take the minimum number of subjects required to meet university/State Training Provider (TAFE) admission requirements.

School Leaver – If under 19 as of 1 March 2015.

It must be possible for you to gain entry to the university/State Training Provider (TAFE) course of your choice by enrolling in no more than four (4) subjects. This may be varied in exceptional circumstances. Factors to be considered include:

- Achievement of WACE
- Competence in English
- Achieving a Tertiary Entrance Rank (ATAR)
- Pre-requisite subjects for your proposed university/State Training Provider (TAFE) studies.

If you feel you do not meet these criteria, but wish to return to study, we encourage you to contact Tim Hardy-Atkins at Student Services on 9351 5645 and make an appointment.

Enrolments
