Welcome to the Canning College prospectus for 2017/18. The prospectus provides you with a range of important information about courses offered by Canning for international students. Canning College has been a home from home for international students in Perth, Western Australia for 31 years. In that time the College has established a formidable reputation as being the QUALITY pathway to university for international students. Canning graduates gain entry to the four public universities of Western Australia and to universities across Australia and internationally. Their academic achievements at university are recognised as being excellent.

The reputation of Canning College is built on academic excellence, but also on the quality of care provided to students who can rely on College services for accommodation, academic guidance, university enrolment support, pastoral care and a range of other services that make the Canning experience unique and copied but never surpassed.

Please peruse this document carefully. It is rich in information about Canning College which is your Western Australian Government pathway to university. It has been the privilege of Canning College to serve students from across the world for 31 years. Join us.

Alan Genoni
Perth, the capital city of Western Australia, is a modern western style city of about 2.2 million people. The multicultural population enjoys an extensive range of high quality facilities and a relaxed cosmopolitan lifestyle. Perth’s friendly people welcome visitors and students from all over the world.

Perth’s wide open spaces and pleasant Mediterranean climate (warm/dry summers and cool/wet winters) create an excellent living environment where problems such as pollution and congestion are minimal.

Perth is conveniently located for inbound flights from around the world, especially Europe, Asia and Africa. The time zone (GMT +8) makes for relatively easy communications between students and their home.

Western Australia’s dynamic economy produces over 40% of Australia’s export products and provides many career and business opportunities.

Even with its high standard of living, Perth offers students quality accommodation at reasonable cost. Quality food and other products from around Australia and overseas are available from Perth’s many shopping facilities.

Living in Perth
The relaxed Perth lifestyle is well supported by excellent health care facilities and a clean, safe environment and stable political system. Perth has four seasons – spring (September to November), summer (December to February), autumn (March to May) and winter (June to August). Temperatures average around 5-16°C in winter and 18-32°C in summer. Students are advised to bring light weight clothing to remain cool during the warm summer weather and appropriate warm clothing such as jeans, jackets and jumpers for winter. As the sun is strong, it is recommended that students use sun protection each day - wear a hat and apply SPF 30+ sun cream. The climate supports an active outdoor lifestyle and is free from extremes such as typhoons.

Cost of living
Perth traditionally has one of the lowest costs of living of any Australian capital city. However, the booming economy has made some changes. The Australian Government provides information and guidance on managing your finances. You can read more at www.moneysmart.gov.au and http://www.studyinaustralia.gov.au/global/live-in-australia/living-costs

The average international student spends about AUD480-500 a week on accommodation, clothing, food, transport, entertainment, telephone and incidental costs. Please note that airfares and tuition fees do not form part of this estimated cost of living.

It also does not cover additional costs associated with a more expensive lifestyle e.g. owning a car.

Income and employment levels in Perth are well above the national average.
Currency is the Australian dollar (AUD) which comes in denominations - polymer notes: $100, $50, $20, $10 and $5; coins $2, $1, 50c, 20c, 10c and 5 cents.

Part-time work is a great way to develop language skills, experience Australian culture away from campus and earn some pocket-money. Hourly rates vary from about $20 to $35 per hour depending on the job and student’s age. Students can work a maximum of 40 hours per fortnight during term time but can work full time during vacation periods. As study is the focus for students at Canning, recommended working hours are 8 to 15 hours per week – depending on course requirements. Earning income requires a student to have a Tax File Number (TFN) - application is done through the Australian Taxation Office – www.ato.gov.au

Perth has an excellent public transport system. For detailed information please refer to the Transperth website: http://www.transperth.wa.gov.au/

International students in Perth enjoy the benefits of public transport concession fares. Smartrider cards are issued through Canning College.

FIVE TOP ‘LIKES’ OF PERTH
1. Study environment
2. Quality of education
3. Education choices/options
4. Safety
5. Friendliness of the local population

(Source: Study Perth, Brand Health Monitor 2013)
CANNING COLLEGE HAS OFFERED SPECIALIZED EDUCATION PROGRAMS AND STUDENT SERVICES FOR INTERNATIONAL STUDENTS SINCE 1986. CANNING HAS MORE THAN 30 YEARS EXPERIENCE IN INTERNATIONAL EDUCATION PROGRAMS. CANNING IS A GENUINE PIONEER OF THE INTERNATIONAL EDUCATION SECTOR OF AUSTRALIA.
Canning College was established in 1982 by the Western Australian government’s Department of Education to provide university entry programs for both domestic and international (government sponsored) students over the age of 16 years. Its spacious campus is located in Perth, seven kilometres south of the city centre and next to Curtin University. Canning College is conveniently located near large (Waterford Plaza) and small shopping centres. Canning is only 20 minutes travel from Perth International Airport. Public transport access to the campus is excellent with regular bus services to a wide range of areas and the Curtin University Bus Station is adjacent to Vickery House – the major student village. (See aerial map on back cover)

CANNING COLLEGE OFFERS

- Diploma of Commerce
  UWA Stream
  Curtin Stream
  Murdoch University and Edith Cowan University also accept successful Diploma students.
- Certificate IV (Commerce)
- Western Australian Universities’ Foundation Program (WAUFP)
- WACE ATAR Year 12
- WACE ATAR Year 11
- Bridging Programs.

The College has over 1,000 full-time international and domestic enrolments each year.

“Study with Australian Students”

Compared to other Australian cities, Perth has the highest level of cultural diversity among international students. (StudyPerth)

THE CANNING COLLEGE ADVANTAGES

- Pathways to second year at Curtin University and The University of Western Australia through Diploma of Commerce courses.
- Government college providing quality assured teaching/learning programs, facilities and services.
- Multi-cultural university style campus located adjacent to the main Curtin University campus. International students study alongside Australian students and those from more than 20 countries.
- Excellent academic standards and reputation for providing high quality student support services.
- Experienced staff and excellent teaching methods.
- High success rates in the Diploma courses – average success rate is over 85%.
- Modern and well equipped facilities including new Library, Recreation Centre and Computing Centre.
- Technological excellence in teaching/learning programs.
- Specialised university pathway programs designed for international students.
- Simplified Student Visa Framework (SSVF) partnerships with The University of Western Australia, Curtin University, Edith Cowan University and Murdoch University – Canning students enjoy choice of universities as well as courses.

SSVF packaging with Perth’s FOUR public universities - The University of Western Australia, Curtin University, Edith Cowan University and Murdoch University.
ABOUT CANNING COLLEGE

STUDENT SERVICES
Canning College offers an extensive range of quality student support services, all of which are included in the course fee. There are no additional charges for services:
- Excellent library facilities including open access to computers.
- Extensive open access to high quality computer resources and wireless (wi-fi) network.
- Learning Centre with free extra tuition.
- Recreation Centre and gymnasium.
- Specialised English support services and intervention programs for ‘at risk’ students.
- International Office – specialist staff and services.
- Airport reception and transfers (free of charge on initial arrival).
- Special support for students under 18 years of age.
- Parent liaison and reports; website progress monitor system.
- Orientation programs.
- Tertiary placement assistance.
- Graduation ceremony and achievement awards.
- Music room.
- Accommodation services (including student village style facilities).
- Pastoral care services with trained advisors and counsellors.
- Liaison with key agencies – DIBP.
- Cafeteria with quality food (Asian and Western).

As the college campus is located adjacent to Curtin University, Canning students can also enjoy some of Curtin’s services – medical centre, Curtin Stadium, TL Robertson Library, cafes, bookshop, mosque, CABS (a free hail & ride bus service operating in streets surrounding Curtin and Canning) and Curtin Bus Station – next to Vickery House.

What our students think of Canning College?
Each year Canning College surveys its students. One of the areas researched is the most positive aspects of studying at Canning. From the 2016 student survey results, the Top 5 features were:
1. Quality of teaching
2. Friendly and supportive staff
3. Library and Learning Centre.
4. Campus facilities and environment.
5. Course flexibility and range of subjects.

Airport Meeting Service
The College realises that it can be difficult arriving in a new country for the first time, so international students can arrange to be met by a College representative on arrival at Perth International Airport. They will be transported to their accommodation free of charge on their initial arrival to Perth. This includes students with homestay arrangements through Australian Homestay Network (AHN). Arrangements for airport pick up and accommodation will need to be made through the College’s International Office prior to student’s arrival in Perth.

Orientation
All new students are required to attend the Orientation program which provides them with crucial information and advice that will assist them in adjusting to the living and learning environment of the College and Perth. Students also receive help in selecting subjects, opening bank accounts, registering medical insurance, student/concession cards and finding permanent accommodation.

The orientation is also a good opportunity to meet fellow students and the staff at Canning College. The costs for being met at the airport (on initial arrival to Perth), all transport and meals during the orientation program are covered by the College.

Subject Selection
As final subject selection is completed during Orientation, students are provided with:
1) General talk on careers and college pathways
2) Information on specific university programs and study majors
3) Detailed subject information from Heads of Department
4) Individual interview with an Advisor
5) An individual timetable prior to commencement of classes
Subjects/units may be changed in consultation with an Advisor

International Office
The College’s International Office is a focal point for international students, where a Director and other specialist staff are available to provide pastoral care, information, advice and assistance in dealing with day-to-day matters such as accommodation, study problems, subject selection, guidance in tertiary entrance, visa/packet enquiries, and enquiries on behalf of friends or relatives. Internal Student Advisors are present in the International Office to assist students with personal and academic issues. They can help answer enquiries about course advice including subject changes and study problems. All matters are handled with appropriate discretion and are completely confidential.

Open access to computer services and a student lounge area is available in the International Office.

Teaching / Learning Facilities
Canning College has 58 classrooms including specialist teaching areas for computing, human biological sciences, chemistry, physics and English.

All classrooms have air-conditioning and are fitted with modern teaching resources such as multimedia projectors, smart boards, interactive screens and computers.

English is the language of instruction in all classes and English speaking zones encourage all students to use and improve English language skills.

Maximum class sizes
Diploma of Commerce Lectures – 90 students
Seminars – 25 students
Tutorials – 20 students

Other courses Foundation, WACE, Year 11
Academic subjects – 25 students
English as a Second Language 15 – 20
(assuming on the English level)

Teaching Style
As Canning provides transition between college and university levels, teaching styles include teacher directed and student centred activities. The aim is to ensure that all Canning graduates are independent adult learners and capable of successfully engaging with university level learning.

Students are encouraged to be active learners in all class activities. Teaching staff are available to students out of class time.

Online and Library resources are available in each subject and students are expected to carry out self-directed study activities.

Assessments
At the beginning of any course, each student is issued with the assessment guide for each subject. Final marks can only be derived from publicised assessment activities. Assessments are cumulative and continuous for the duration of each subject. Final results are expressed in percentage and / or grade form.

Learning support
In addition to formal classes, Canning College provides opportunities for additional assistance through optional tutorials or individual assistance. There is no additional charge for this service.

The Learning Centre, based in the Library, enables students to get individual or small group assistance from subject specialist teachers.

Canning also provides intervention support activities for students identified as ‘at risk’.
ABOUT CANNING COLLEGE

**Counselling**
The College provides counselling or advisory services for students. They can use these services for friendly and confidential discussion of concerns, such as:

a) study skills;
b) course information and subject selection;
c) applications for tertiary study, and
d) career and vocational advice

The Counsellor, who is a trained psychologist, is readily available to provide advice on personal issues. The International Office provides male and female Advisors especially trained in assisting international students

**ACCOMMODATION**

Accommodation is an important aspect of student life and Canning College aims to ensure that all students are comfortably and safely housed so that they can focus on their studies. An Accommodation Officer is available to provide a comprehensive and efficient accommodation service for international students. This includes:

- inspecting prospective accommodation,
- accompanying students on visits to view accommodation,
- ensuring that accommodation is easily accessible to the College,
- providing information on a variety of types and prices of accommodation,
- placing each student in permanent accommodation during the orientation week,
- advising on all aspects of accommodation in Perth
- liaising with real estate agents on behalf of students
- liaising with Australian Homestay Network as required

Apart from homestay placements which go through the Australian Homestay Network (AHN), all other accommodation placement services are provided on a free of charge basis. Canning's Accommodation Officer ensures all students can enjoy a personalised service. Accommodation options include the following:

**Homestay**

Options for under 18 aged students:
1. Placement with AHN
3. Parent Nominated Homestay - special arrangement approved by the family AND Canning College

For under 18 aged students requiring homestay, Canning College works with Australian Homestay Network® (AHN) to arrange quality placements. Canning College staff can assist in liaising with AHN. [http://homestaynetwork.org/](http://homestaynetwork.org/) AHN charges $240 for each placement.

For students over 18 years of age, Canning’s highly experienced Accommodation Officer provides a free placement service. Homestay provides students with a secure and family-like environment. Students are encouraged to join in with the family as it provides an excellent opportunity to practise English and learn about the Australian way of life. The family provides meals and assists with everyday needs such as laundry and cleaning, allowing more time for study.

**Vickery House**

Vickery House, which is managed by Curtin University, is situated on the eastern boundary of Canning College campus and houses over 300 Curtin University/Canning College students in 42 individual modern self-catering units each housing 8 students (same gender). The units are within walking distance of classrooms, library, shopping centres and public transport. Students have their own furnished single bed/study room and share the kitchen, living and ablution areas. Each unit has a phone in the living area to receive calls. Emergency calls can be made to security but all other calls require a pre-paid phone card. Students over 18 can arrange to have a personal telephone line in their room. Students must be at least 17 years of age to take up residence. Resident parking is available - free of charge.

**Rental Properties – Houses, Units and Apartments**

Students over 18 years of age wishing to have more independent living arrangements can rent accommodation facilities and look after themselves entirely. Most students who choose this option share with other students. Sharing arrangements may involve from two to eight people. There are numerous rental properties within close walking distance of the colleges, and the Accommodation Officer will provide students with help and advice regarding this type of accommodation.

**Furnished Rooms in Homes**

Another option is to rent a furnished room in the home of a family but have responsibility for your own cooking, washing and cleaning. The facilities of the house, including major household appliances such as refrigerator, microwave and washing machine are available for students’ use.

**Accommodation Requirements for Students Under 18 Years of Age**

Appropriate accommodation arrangements for Canning College’s international students under the age of 18 years are homestay, on-campus at Canning Vickery House, or with an adult relative (over 21 years of age) who may act as the student’s guardian or local carer (see link below for the relevant DIBP form -157N) . Students under the age of 18 years are not permitted to live in private shared student accommodation.

All accommodation arrangements must be approved by the College and the student’s parents prior to arrival. Any changes to accommodation arrangements must be approved by Canning College and the student’s parents.

In cases where a student does not have an appropriate direct relative in Perth, the College principal can assume the responsibility of approving the student’s accommodation and care arrangements.

“Teachers are always willing to help if asked. Also, I get the feeling teachers care about our marks because I have been invited to numerous out of class study times by teachers”.

Student Survey 2016
"PROVIDING A FLEXIBLE, ADULT LEARNING ENVIRONMENT WITH PATHWAYS TO UNIVERSITY ENTRY IS THE DRIVER FOR CANNING COLLEGE PROGRAMS".
DIPLOMA OF COMMERCE

CANNING COLLEGE IS A SENIOR COLLEGE IN THE DEPARTMENT OF EDUCATION, WESTERN AUSTRALIA. THE DIPLOMA OF COMMERCE UWA STREAM AND DIPLOMA OF COMMERCE CURTIN STREAM IS EQUIVALENT TO FIRST YEAR BACHELOR OF COMMERCE AT THE UNIVERSITY OF WESTERN AUSTRALIA AND CURTIN UNIVERSITY. ON SUCCESSFUL COMPLETION OF THE DIPLOMA, STUDENTS WILL ARTICULATE INTO YEAR 2 OF THE BACHELOR DEGREE.
Accreditation
Canning College is a Registered Training Organisation (RTO) with the Training Accreditation Council in Western Australia. The Diploma of Commerce UWA Stream and Diploma of Commerce Curtin College are accredited courses through the Australian Skills Quality Authority (ASQA) and the Training Accreditation Council (TAC) in Western Australia. The two diplomas are Level Five (5) qualifications within the Australian Qualifications Framework (AQF) www.aqf.edu.au. For international students, TAFE International Western Australia (TIWA) facilitates the enrolment process in partnership with Canning College. Diplomas are bestowed by TAFE International Western Australia (TIWA) partnered with Canning College on the recommendation of the Academic Advisory Committee consisting of staff from Canning College, Curtin University and The University of Western Australia. The Academic Advisory Committee assures the quality of the course through monitoring standards and controlling course content and assessments. The qualifications and performance of staff are also regularly reviewed by this committee.

Articulation
Curtin University and The University of Western Australia guarantee entry into the second year of relevant bachelor courses for international and domestic students upon meeting the university’s requirements.

UWA Business School
Choosing to study business at The University of Western Australia is the first step towards a successful career.

As one of the premier business schools in the Asia-Pacific region, the UWA Business School works closely with leading companies and individuals. The UWA Business School’s partners support our students as they achieve at the highest level through providing guest lecturers, case studies, mentoring, and a suite of scholarships and prizes. Further, our connections with industry allow you to engage with potential employers and ensure our teaching is always informed by practical, industry-relevant expertise.

A Global Degree
A degree from the UWA Business School is your passport to the world.

We are the only business school in Western Australia, and one of only eight institutions in Australia, to be accredited through both the European Quality Improvement System (EQUIS) and Association to Advance Collegiate Schools of Business (AACSB). These are leading business school accreditations in Europe and North America, meaning that employers around the world recognise the quality of a UWA degree in business.

UWA is ranked 87th in the world by Shanghai Jiao Tong University’s internationally recognised Academic Ranking of World Universities, while the QS rankings place UWA at 98th in the world. UWA is the only Western Australian member of the prestigious Group of Eight network, which is comprised of Australia’s leading research-intensive universities, as well as a member of the Worldwide Universities Network and a founding member of the Matariki Network of Universities.

Bachelor of Commerce
UWA’s Bachelor of Commerce allows you to choose either one or two majors, as well as studying electives from across the university’s range of arts, science, design and commerce units. As a UWA student, you can elect to join student societies, or take part in competitions, networking events, internships and volunteering programs. These opportunities ensure you will gain cutting-edge knowledge and broad skills, increasing your employability.

To learn more visit: www.business.uwa.edu.au

Curtin Business School (CBS)
Due to its innovative approach and highly valued programs, Curtin Business School has enjoyed sustained growth. Curtin Business School (CBS) is the largest teaching division of Curtin University and one of the most comprehensive business teaching facilities in Australia. There are over 15,000 students studying courses in the seven teaching schools at CBS. The Business School provides a broad portfolio of graduate and postgraduate programs.

With a strong team of staff from international, academic, and professional backgrounds, the Curtin Business School offers programs at the cutting edge in business education. Its courses are distinguished by their applied and professional emphasis, flexible structure and direct corporate relevance. The courses provide students with a high quality business and management education, encompassing the necessary skills and knowledge to enable students to perform effectively at the highest levels in commerce, industry, government and the professions.

The three-year Bachelor of Commerce at Curtin Business School offers one of the most comprehensive business programs available in the region, with an extensive range of single and double majors specifically designed to meet the needs of industry. A common core (undertaken in the first year) provides students with a broad perspective of commerce, both in the public and private sectors. In subsequent semesters, students are able to focus on a specialisation by choosing a single or double major.

More detailed information on the specialisations offered is available in the Curtin University Undergraduate International Prospectus or on the website at: www.cbs.curtin.edu.au

TRANSITION PATHWAYS TO UNIVERSITY DEGREE

Two Streams
The Diploma of Commerce was first offered in 1999. Since then hundreds of students have graduated and entered the second year at university. The Uni Direct Department at Canning College conducts the course and provides academic support services to students. Students are offered the choice of two courses in the Diploma Program:

- The Diploma of Commerce
  UWA Stream: 52751WA
  CRICOS Course Code: 088969E
- The Diploma of Commerce
  Curtin Stream: 52750WA
  CRICOS Course Code: 088967F

The Diploma courses are equivalent to first year university in terms of their course content and academic structure. Units are studied over two (2) semesters, with 2 intakes yearly in February and July. Successful completion of the Diploma guarantees international and local students entry into the second year of Bachelor of Commerce at The University of Western Australia or Curtin University. Completion of the Diploma may also lead to second year at other universities, subject to a university’s individual assessment.

Features of the Diploma of Commerce

Course

- High success rate
  Currently over 85% of students are successful in graduating and gaining university entrance at second year level.
- Excellent facilities
  Students attend lectures, tutorials, workshops on the well-equipped, university-style campus at Canning College comprising of a Library and Computing Centre. Being located adjacent to Curtin’s main campus allows students to easily access most of Curtin facilities such as library, medical centre, bank, Curtin bookshop and cafes. Free campus car parking for Canning students. Canning students can use CABS - free Curtin Area Bus Service.
- Easy access to Computing (Technology and Wi-fi)
  Excellent computing facilities are provided at the College for student use including free wireless network. All students are provided with free access to the internet and wi-fi. Students use these facilities for preparing assignments, learning support and communication with teaching staff as well as family and friends. The College Intranet provides an extensive range of additional learning resources.
- Credit for Recognition of Prior Learning
  Canning College recognises prior learning by acknowledging competencies and outcomes achieved (skills, knowledge and attributes) held as a result of formal training and education (both within Australia and overseas), work experience and/or life experience. Students who have successfully completed similar units of study at another institution may be given credit/an exemption for a module in the Diploma of Commerce.
- Small classes + Extra tutorial time = Success
  There are real advantages in being part of a small and select program. The small class sizes ensure that students receive attention from the highly skilled lecturers. Lecturers really get to know the students and the small groups allow students to feel comfortable asking questions. Students also receive an extra hour of tutorial time than at university in each unit. This extra hour tutorial contributes to full understanding of the subject material. Students benefit tremendously from extra tutorial time, at no additional cost.
- Each student has every opportunity for success
  (Emphasis on student support)
  The College’s International Office staff have been specially selected and appointed to provide international students with assistance and support in both academic and personal matters. This includes airport reception, accommodation and application for university entry. The Dean and staff of the Uni Direct Department are also available to provide guidance on academic matters and learning assistance. Study assistance beyond scheduled classes is also provided to students. A mentoring program commences during orientation and extends into first semester. Staff are always available on an informal basis to help with learning strategies such as organising a study timetable, essay writing and examination techniques.

Additional English support is also available.
Other student support centres include: Library Learning Centre Recreation Centre Student Services Centre

- Semester organisation
  The Diploma of Commerce is offered over two (2) full semesters. This closely follows university academic calendars.
  The study program includes at least one week free from class in mid semester and a study week just prior to final exams. These breaks allow students to be fully prepared for assignments, tests and examinations, and to be less stressed. College staff considers the two semester structure to be the most educationally sound way of delivering course material to ensure maximum success.
- Teaching and Learning Methods
  The Diploma course focuses on teaching learning methods designed to provide students with the ultimate learning experience by ensuring they acquire knowledge and skills in their selected units.
- Lectures
  Lectures provide students with the structure and content of a unit. Students are expected to make their own notes summarising the key points covered in the lectures and read in greater depth.

Univer-Transfer Program

University Year 2 Entry Bachelor of Commerce at Curtin University or The University of Western Australia

Canning Transfer Diploma of Commerce ONE or TWO Semesters

Local Diploma
Tutorials and Seminars
Tutorials and seminars usually involve a small group of students and a member of the teaching staff. They provide an opportunity for further consideration of topics and questions regarding any complicated issues that have been covered in lectures. The major feature of tutorials and seminars is that students are encouraged to participate actively and positively during discussions through individual and/or group presentations. These active learning activities help prepare students for university style learning and work place tasks.

Laboratory work
Computer based laboratory work forms another essential part of teaching learning strategies and is employed widely in Business Information Systems and Business Statistics. It gives students the opportunity to apply their knowledge and develop practical skills – useful for higher level learning and work place tasks.

Private study
Students are expected to do private study on a regular basis to support their lectures and seminars. All resources are provided and easily accessible at Canning College. The library caters for university level students. Private study contributes to the development of time management skills and the ability to work unsupervised – both highly valued in a work place.

ASSESSMENTS
Each unit has a course outline and assessment structure. Every student is given this information on commencement. Final marks and grades are determined by performance in all assessment activities. Final results are expressed as a percentage and grade. Assessment in each unit is continuous and includes a semester examination. Most units will be assessed through a combination of written examinations and coursework. Coursework may include group-based assignments, research assignments, presentations, laboratory and practical work. Every Diploma student receives a Record of Results and successful students receive the diploma award at the annual graduation ceremony.

Scholarships 2017
Canning College provides six $6,000 scholarships for suitably qualified Diploma of Commerce applicants. Scholarships are awarded on academic merit at the time of application.
Requirements
To complete the equivalent of the first year of the Bachelor of Commerce at The University of Western Australia, students must:
1. Complete at least 8 academic units with a total value of 48 points (see table).
2. Obtain a minimum score of 50% for each unit.
3. Have passed at least one mathematics module or previously passed an equivalent of Mathematics Methods, Higher Mathematics at GCE ‘O’ Levels or any Mathematics at GCE ‘A’ Levels.
4. Pass all CC10 and CC20 units on the first attempt and obtain an average score of 50% for CC10 and CC20 units.

Notes
• Students who do not achieve 50% on their first attempt may be offered a Supplementary Examination if close to the pass mark and have at least a 50% semester average.

Articulate into second year at The University of Western Australia with full first year credit. Students completing the Diploma of Commerce gain advanced standing into the second year of the Bachelor of Commerce course at The University of Western Australia.

Testimonial
“I have completed Certificate IV and I am currently studying the Diploma of Commerce. I have learnt a lot of new knowledge throughout these courses. I was really glad to have Canning College as my prior period study before entering University as I really enjoyed every moment while studying here. I have been fortunate to have amazing lecturers and tutors who taught us valuable lessons and a lovely environment has also been created by the friendly and caring staff at Canning College which provides us international students with a relaxing aura to study. Canning College has helped me so much in building a wholesome basic of commerce and I hope that I will be able to adapt myself while I further my studying in UWA.”

Thong Hong Ying (Malaysia)

Students will normally study the following units in the Diploma of Commerce UWA Stream:

DIPLOMA OF COMMERCE CURTIN STREAM
CURTIN STREAM: 52750WA  CRICOS Course Code: 088967F

Articulate into second year at Curtin University with full first year credit. Students completing the Diploma of Commerce gain advanced standing into the second year of the Bachelor of Commerce course at Curtin University.

To complete the equivalent of the first year of the Bachelor of Commerce at Curtin University, students must:
1. Complete at least 8 academic units with a total value of 200 points (see table).
2. Obtain a minimum score of 50% for each unit.

Requirements

- Students who do not achieve 50% on their first attempt may be offered a Supplementary Examination if close to the pass mark and have at least a 50% semester average.
- Students who have not passed eight (8) units after two semesters of study and who have made satisfactory progress may enrol in second year university extension units in the Bachelor of Commerce at Curtin while completing the Diploma of Commerce.

Testimonial

“...I had never been in a different country or even travelled by plane until I went to Perth for my higher studying. I was so worried and scared with only me in a country that I had no ideas about how things are. And then Maria – an amazing teacher – put her hand on my shoulder and said “Don’t worry” when I was late and just stood alone in front of the room on the first orientation day. I also remember Ken, Michelle and other teachers in Uni Direct when they helped me with every little things like homework, assignments or sometimes I borrowed pens, paperclips or anything Michelle has from the office. When I completed my diploma and transferred to Curtin University, I missed them so bad. In university, I have to do everything on my own and it is quite hard to seek helps from the tutors because there are nearly 100 times more students than it is in college. Besides the lower tuition fees that I get from studying in Canning College, I can more easily practice my English skills with other international friends, especially they’re almost Asian and their English are not hard to understand like Australian. It is the good base preparing for me to get used to listening and speaking English with Australian when I come to university. Honestly, I love the atmosphere, all staffs and teachers in Uni Direct Office. It was so lucky for me when I met these caring people when I came here. They are the ones who help me to be who I am today. Just want to say special thanks to all of my beautiful people.”

Ms Tran Thuyen Khoung (Sky)
**Recognition**

The Certificate IV course is a pre-diploma program that provides ideal preparation for further studies at diploma or first year university level. It is the equivalent of Year 12 and is a Level Four Course on the Australian Qualifications Framework.

**Australian Qualifications Framework**
http://www.aqf.edu.au/

Successful completion of the Certificate IV course provides a guaranteed place in either stream of Canning’s Diploma of Commerce course.

Successful students can also apply for first year undergraduate entry to a range of courses at Curtin University, Edith Cowan University and Murdoch University. Students wanting admission to The University of Western Australia must do so through completion of Canning’s Diploma of Commerce UWA Stream.

**Articulation**

- On successful completion students are guaranteed direct entry to the Diploma of Commerce at Canning College or are eligible for entry to a first year level commerce degree course at Curtin University, Edith Cowan University and Murdoch University.
- To be considered for admission to the Canning College Diploma of Commerce Curtin Stream, students must pass all subjects with an average of 50%. For the Diploma of Commerce UWA Stream students must average 60%, receive a minimum score of 55% in Legal Studies CT14 and pass all units at the first attempt.
- **Credit for Recognition of Prior Learning**
  Canning College recognises prior learning by acknowledging competencies and outcomes achieved (skills, knowledge and attributes) held as a result of formal training and education (both within Australia and overseas), work experience and/or life experience. Students who have successfully completed similar units of study at another institution may be given credit/an exemption for a module in the Certificate IV in Commerce.

**Certificate IV (Commerce) provides the ideal foundation for any student wanting higher level studies and a career in commerce/business. The course provides specialist preparation in the essential subjects.**
Course structure
The Standard Academic Course is 20 weeks. Entry dates are available in January, April, July and October each year.
- There is usually a 2 week vacation period between each 10 week tuition period.
- Examinations are held in the last week of each 10 week teaching term.
- Student results are available two (2) weeks later.
- Learning assistance in Mathematics and English Communications is available through the Canning College Learning Centre.
- Upon joining the course every student will undertake a separate Study Skills program of one (1) hour per week for 10 weeks.

Assessment
- Continuous Assessment is a feature of the Certificate course which means that student work is being assessed on an ongoing basis.
- The assessment system and final results are managed by a Board of Examiners.
- Performance is carefully monitored during the course and regular feedback is given during the weekly individual consultations with the course tutors.
- Each unit is examined at the end of the 10 week tuition period.

Scholarships Certificate IV only
Canning College offers a number of academic awards based on the applicant’s home country results (or Australian results if applicable).
Scholarships currently valued at A$5,000 each can be awarded to top students commencing the Certificate IV course. Award offers are made in conjunction with standard offers. For more information contact the College’s International Office.

Book hire scheme
To help students save money, Canning offers Certificate IV student’s a book hire scheme. Rather than purchase expensive texts, students pay a deposit of $300 and receive a refund of $175 on course completion.
An outcomes basis for evaluation is used and will be converted to a grade and numerical value as follows:

<table>
<thead>
<tr>
<th>Rating</th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>High Distinction</td>
<td>80 - 100%</td>
</tr>
<tr>

Testimonial
“I chose to study in Australia as Canning College stood out above the rest. Canning College is a Registered Training Organisation, the diploma of commerce is a nationally accredited course under Training Accreditation Council of Western Australia (TACWA), which has a large influence on my decision. This year I just finished the Certificate IV course and currently doing the Diploma in Commerce, UWA stream. The lectures and tutorials are academically stimulating, and applied to real-world case studies are extremely useful. The college looks after the students well and provides an excellent environment for students to achieve the academic and lifelong goals. The experience has broadened my horizon and changed my perspective of many things. Coming to Canning College is the best decision I have made so far.”
Benjamin Cheah Yih Herng (Malaysia)
The many features of the WAUFP include:

- **Guaranteed** entry into a Western Australian public university on successful completion. Exceptions to this guarantee apply to courses with special entry requirements and quota, e.g., medicine or law.
- Acceptance by government and private universities throughout Australia and overseas.
- Choice of university and undergraduate course. Students are not limited to one university.
- Reputation for academic quality and student support services.
- Flexibility of entry – January, April and Mid-Year (late July) start dates.
- Special conditions and quotas apply to selected courses such as medicine and dentistry.

### Packaged Programs
Canning College offers Simplified Student Visa Framework (SSVF) packaged programs which include:

- **Option 1**
  ELICOS + WAUFP + University
  - The University of Western Australia (UWA), Curtin University, Edith Cowan University (ECU) and Murdoch University

- **Option 2**
  WAUFP + University (As in Option 1 Standard packaging arrangements can be made for ELICOS + WAUFP. Packages can include relevant Bridging programs to suit student needs.)

Further information and advice is available from International Office at Canning College
iso@canningcollege.wa.edu.au

### Courses Offered
All students are required to take the course English Language and Australian Cultural Studies (ELACS). In order to gain a Combined Percentage Score (CPS) for university entrance, students must select at least 3 other optional courses.

- **Compulsory course (9 hours/week)**
  - English Language & Australian Cultural Studies (ELACS)

- **Optional courses (4.5 hours/week)**
  - Accounting & Finance
  - Business Management & Enterprise
  - Chemistry
  - Computer Science
  - Earth & Environmental Science
  - Economics
  - Human Biological Science
  - Mathematics Applications Units 3 and 4
  - Mathematics Methods Units 3 and 4
  - Mathematics Specialist Units 3 and 4
  - Physics
  - Psychology

*Additional hour per week per course for April Entry WAUFP.

For information about the WAUFP from the Tertiary Institutions Service Centre (TISC), see the link:

Canning College enrolment booklet
https://www.canningcollege.wa.edu.au/coursesYear12WAUFP.html
Please note:

1. Students wishing to do Mathematics Specialist must also choose Mathematics Methods.
2. Students must achieve a Combined Scaled Score of 50% for ELACS to fulfil one of the university entry requirements. Note: some courses at university require a score of 60% or higher in ELACS.
3. Before selecting courses students need to be aware of the prerequisite or preferred courses for their chosen university program.
4. The final assessment for each course will be out of 100. 50% of the marks will be obtained from College assessment conducted throughout the course and the other 50% from the external Foundation Program Examination set by the Tertiary Institutions Service Centre (TISC).
5. Students may also choose other Year 12 WACE Courses. These will not contribute to your CPS. For more information contact your student advisor.

61% of the top WAUFP students at Canning College won a scholarship to continue studies at a university in 2017. “Top students are those who achieved a Combined Percentage Score (CPS) ≥ 75% (equates to an ATAR 1 95)“.

2016 Scholarship Winners from 2016

Top students* awarded university scholarships on the basis of strong results in the 2016 WA Universities’ Foundation Program at Canning College.

61% of the top WAUFP students at Canning College won a scholarship to continue studies at a university in 2017.

*Top students are those who achieved a Combined Percentage Score (CPS) ≥ 75% (equates to an ATAR 1 95)
SCHOLARSHIPS

Each year the Department of Education, through Canning College, provides a range of prestigious scholarships. Students are assessed on the basis of overseas Year 11 equivalent results and school references. Applications close on October 31 each year and winners are announced by mid-November. There is a range of full and partial scholarships available. Scholarships apply only to course fees and do not include living or other study costs. Contact the International Office for current information.

Assessments
The final mark/grade for each unit is based on continuous and cumulative assessments. Assessment activities include tests, internal examinations, laboratory reports, essays, assignments, projects, oral presentations and are approved by TISC. Final results are issued by TISC and university offers of place follow by mid-December each year.

Each student receives progress reports, statement of final College results and a WAUFP results statement. Keeping track of academic progress is made easy as students can access marks on student portal “My Results”.

The calculation of the Combined Percentage Score (CPS)

The CPS can be calculated in two ways:

The existing calculation: average of the best three scaled scores (excluding ELACS) OR

The average of the sum of the best three scaled scores and ELACS score

TISC will use the calculation which provides the highest result for each student.

Choice of courses

January Entry WAUFP – the standard program where students receive 9 hours per week of tuition in ELACS and 4.5 hours per week in other units. This program is suitable for all students who meet minimum entry requirements.

April Entry WAUFP – is a discrete accelerated course. Students do extra hours each week, have fewer vacation weeks and sit the final examinations with January Entry students.

Mid-Year Entry WAUFP – is a standard Foundation program linked to mid-year entry at university. The program is a full academic year.

Comparing your WAUFP results with an ATAR

The following table gives an indication of the Combined Percentage Score (CPS) required to approximate a particular Australian Tertiary Admission Rank (ATAR).

*Current for 2017 - Minor variations may occur from year to year.
Notes: The required CPS does not necessarily indicate the course's level of difficulty but rather reflects the relationship between demand and supply of university places. Highly competitive courses (e.g. Law) require a high score for entry; a lower CPS may not indicate an easy course (e.g. Sciences and Engineering).
Canning College offers a WACE ATAR Year 11 level course preparing students for entry into the WAUFP, WACE ATAR Year 12 or Certificate IV (Commerce) course.

Successful completion of Year 11 guarantees a place in either the WAUFP, WACE ATAR Year 12 or Certificate IV (Commerce) courses at Canning College.

The Year 11 program is structured around the compulsory course Year 11 English as an Additional Language or Dialect (EAL/D) This course is studied for nine hours each week for the duration of the program. Students must also study a Mathematics course.

All students will develop their library and independent learning skills as part of Year 11 EAL/D. This is an important part of the program, giving an excellent introduction to research skills including internet, online databases and referencing.

Year 11 - Academic Program
All Courses will be studied in Semesters 1 & 2 unless otherwise stated.

Students will study the compulsory courses:
- Year 11 English as an Additional Language or Dialect (9 hours)
- Mathematics Application or Mathematics Methods (4.5 hours)

Students also select at least three courses from the following Year 11 optional academic or special interest electives:

Optional Academic Courses
(Student choose 3 or 4)
- Accounting and Finance
- Business Management & Enterprise
- Chemistry
- Computer Science
- Earth & Environmental Science
- Economics
- Human Biological Sciences
- Mathematics Specialist
- Physics
- Psychology

All courses are internally assessed. Students will receive a Statement of Progress after eight weeks and College Reports are issued at the end of each semester which will indicate their progress level of achievement and attendance in each course.

For detailed information about the Western Australian Certificate of Education (WACE) please see the School Curriculum and Standards Authority website: http://www.scsa.wa.edu.au

Universities:
The University of Western Australia, Curtin University, Murdoch University, Edith Cowan University, plus other Australian and overseas universities.

Western Australian Universities’ Foundation Program (WAUFP)/West Australian Certificate of Education (WACE)
Certificate IV Higher Education Preparation Studies (Commerce)

High achievers in the Year 11 course are eligible for scholarships (two at $3,000 each) to the WAUFP, WACE and Certificate IV courses. Awards are based on final results in Canning’s Year 11 course.
The main advantage of the Year 12 (WACE) Program is its wider acceptance by Australian universities, and its greater recognition overseas. The WACE program also provides a wider choice of subjects.

Although most international students find the Foundation Program to be the ideal pathway to university, some choose to enrol in the Year 12 Western Australian Certificate of Education (WACE) Program instead.

University entry is based on a student’s Australian Tertiary Admission Rank (ATAR) which is a percentile ranking based on achievement in the WACE ATAR program.

The WACE is the program by which domestic Western Australian students qualify for entrance to tertiary institutions. It is similar to the Foundation Program, but does not specifically address the special needs of international students.

English as an Additional Language / Dialect (EAL/D) is normally available only to students whose first language is not English and who have not been resident in an English speaking country for more than 7 years.

Students must select at least one subject from List A & List B including English or EALD plus 4 or 5 other subjects.

BRIDGING PROGRAMS

For students requiring academic and / or English language upgrading prior to entering an academic course, Canning College offers a range of Bridging Programs comprising of English language skills. This is an important component focusing on developing students’ abilities in listening, speaking, reading and writing. Students will select English and 4 other subjects. The unit content ranges from Year 10 to Year 11 levels and the emphasis is on preparing students for higher level courses.

Subjects selected vary according to the course and the student’s individual needs:
- English
- English as an Additional Language / Dialect
- Computing
- Mathematics
- Science – Chemistry, Physics and Human Biology
- Economics
- Mathematics (higher level)
- Accounting
- Society & Environment Studies

Bridging courses range in length.

18 Week Bridging – commencing in July each year CRICOS Course Code: 009933D Non-Award option

15 Week Bridging – commencing in October each year CRICOS Course Code: 006807A

10 Week Bridging – commencing each term CRICOS provider: 057186C

8 Week Bridging – commencing in November each year CRICOS Course Code: 050845G

4 Week Bridging – commencing in January each year CRICOS Course Code: 036799C

Canning College Scholarship Winners – 2016.

Changing-courses

Since the introduction of Simplified Student Visa Framework (SSVF) in July 2016, Canning has developed special packaged pathways with The University of Western Australia, Curtin University, Edith Cowan University and Murdoch University.

Canning pathways can be designed for the personal requirements of individual students and may include some or all of the following components: ELICOS, Bridging, Foundation, Certificate IV, Diploma of Commerce and a linked university undergraduate course.

The advantages for students include:
1. Certainty of placement after completing a pre-university course.
2. Single visa for the entire study period.
3. Quicker and easier student visa application processes.

Full details of package program arrangements are available upon application. Universities may apply special conditions for SSVF packages. Students should be aware of university withdrawal/transfer/release policies.

English language schools include:
- Perth International College of English (PICE)
- Curtin English (CE)
- Centre for English Language Teaching (CELT) at The University of Western Australia
- TAFE WA ELICOS schools in central Perth city and Bentley campuses
- Phoenix Academy

NB. Students are advised to check assessment schedules before finalising any travel plans. Calendar dates may change due to unforeseen circumstances. Students should also refer to key dates information issued at orientation.
MONEY MATTERS (NO APPLICATION FEE FOR CANNING COLLEGE)

College Fees
The course fee includes:
• All the teaching costs of the programs, excluding textbooks, calculators and stationery
• Airport reception and transfers upon initial arrival to Perth for a Canning course
• Accommodation, meals and activities during Orientation week (for newly arrived international students enrolling in school level programs only)
• All subject fees
• External examination fees
• Graduation ceremony
• Accommodation placements, excluding AHN arrangements
• Access to all the facilities at the College

Special Canning College Bursaries
Family bursary applies when a student has a family member* who has previously studied at Canning. * (Immediate family only).
Continuity bursary (fee discount) applies if a student continues to study in Canning’s Diploma or Certificate IV Program after completing WAUFP or WACE

Fees and Costs 2017-2018
Note: All course fees are in Australian Dollars and are correct at the time of printing, April 2017. Fees will be revised periodically and may therefore be subject to change.

All enrolments at Canning College comply with Department of Immigration and Border Protection (DIBP) regulations. See link below for current information. Canning College may issue written notice of enrolment changes stay that the student remains compliant with any change in government regulations.

Other useful links:

General

1. Visas are usually issued for the period of the course. Students must leave Australia or apply for a new visa before the expiration of the current visa.
2. International students are not permitted to study part-time except if they are already in Australia.
3. Canning College is required to report, to DIBP, any student in breach of visa requirements such as unsatisfactory attendance or academic progress.
4. Mandatory Conditions – apply to all student visas

Special note regarding Student Guardian Visa (590) Holders - relates to Condition 8532.
Guardians are required to remain with the student for the relevant study period. Students cannot be left unsupervised by the visa holder unless appropriate care arrangements, approved by the college, are put in place. See details: http://www.border.gov.au/Trav/Visa-1/590-

The new Simplified Student Visa Framework (SSVF) was introduced in July 2016. Further information: https://www.border.gov.au/Busi/visas-and-migration/education-providers
Deferment

Any student wishing to defer enrolment to a later semester must apply to Canning College in writing. Circumstances where deferment will be considered include education matters, medical issues, personal and family matters. If the deferment is approved, Canning will hold and transfer all fees to the new semester without any penalty. Deferment can be for a maximum of two semesters. If the student subsequently withdraws from the course, the Refund Policy will be applied from the date Canning College was advised of the withdrawal. DIBP will be informed accordingly.

Leave of absence

Any student wanting to take a leave of absence must apply in writing to Canning College. If leave is approved, there is no financial penalty, to a maximum of two weeks. After two weeks, deferment arrangements will apply. If a student applying for special leave is under 18 years of age, then, the application must be supported, in writing, by the student’s parent(s) or legal guardian. If an under 18 aged student wishes to travel outside of Perth, then, approval must be sought from the college and arrangements supported by the parent(s) or legal guardian. DIBP will be informed accordingly.

Urgent medical treatment

In circumstances where the student requires urgent medical attention and it is not possible to contact a parent/custodian/local carer, Canning College is authorised to arrange appropriate medical care.

Regulatory Framework

As a government school enrolling Australian and international students, Canning College operates within a diverse regulatory framework including the Schools’ Education Act 1999.

Information about courses registered for international students, see http://cricos.education.gov.au/

For information about Canning College’s registration with the Department of Education Services, Western Australia, see http://http://www.des.wa.gov.au/internationaleducation/Pages/default.aspx

Transfer Policy

In accordance with government regulations, including the ESOS National Code (Standard 7), Canning College expects students to complete the program in which they are enrolled. This includes the completion of SSVF arrangements.

However, the College recognises that there may be educational or exceptional personal circumstances which require students to change provider. In such cases, applications to transfer and receive a letter of release will be considered on a case basis. Students are required to submit a copy of any offer from another provider and submit a written application for release.

Canning College will support students’ education and personal interests, and a letter of release will be issued on such grounds.

For students on SSVF packages, release will be required from the university (the principal provider) with which the package (and visa) is linked. Be sure to check the policy of the relevant university.

Canning College will not enrol any students who are in breach of regulatory requirements relating to transfer between registered providers. For further information regarding changing courses/providers, see http://www.border.gov.au/Trav/Stud/Mor/Changing-courses

Medical Insurance

Every international student is required to have medical insurance for the period of the student visa. This is a regulation imposed on every student by DIBP and is defined in mandatory condition 8501.

Medical insurance (Overseas Student Health Cover) is provided by BUPA and the current rate is AUD605 per 12 month period (subject to changes by BUPA). Priorated premiums apply to longer or shorter courses. Students with package visas must pay the premium which covers the entire visa/study period. The OSHC helps pay for medical and hospital cases that students may need whilst studying in Australia and will contribute towards the cost of most prescription medicines (up to applicable limits) as well as medically necessary ambulance transport.

Suspension or Cancellation of Enrolment

Canning College has the right to suspend or cancel a student’s enrolment or re-enrolment in response to any breaches of attendance, academic progress and/or behaviour requirements. Under S19 ESOS Act 2000, Canning is required to report such instances to the Department of Immigration and Border Protection (DIBP).

Any action is subject to internal (including the Conciliator) and external (including Western Australian Ombudsman) appeal processes. Detailed information is issued at Orientation. Canning College exclusion processes comply with W.A. Department of Education requirements.

Students who self-cancel enrolment/student visa should seek advice from the International Office and DIBP about other visa options.

Attendance

Canning College encourages all students to maximise attendance as it is a key to academic success.

Students are expected to maintain a satisfactory level of attendance and comply with Australian government requirements (attend at least 80% of scheduled classes).

The attendance rate is calculated by dividing the number of classes attended by the total number of scheduled classes (including examinations), expressed as a percentage. Students encountering problems with attendance may be placed in a student management program.
ENROLMENT PROCEDURES

CANNING COLLEGE DOES NOT CHARGE AN APPLICATION FEE.

Applications for admission may be submitted at any time but sufficient time must be allowed for visa issuance processes.

Any student requiring assistance with the application process can contact the International Office at Canning College or a registered representative of the College.

Documents required

All documents must be certified true copies and in English language.

- Fully completed Application Form
- Certified copies of relevant academic records and English test results.
- Proof of age eg birth certificate, passport, national identification card
- Relevant work experience records and resume - if applicable.

Education Agents

In accordance with industry requirements as defined in the ESOS Act*, Canning College works only with registered agents. Applications for enrolment can be made through registered agents who can advise on course, facilities, dates, fees and other aspects of study at Canning. Further, the agents can assist with student visa application processes.

As a Western Australian government provider, Canning College works with TAFE International Western Australia (TIWA) for registration and ongoing management of agents. Please see the link below for the list of registered agents.

* In exceptional circumstances, a student may nominate a replacement agent. Such circumstances include: inappropriate service from an agent, an agent ceasing to offer services, the agent losing registration.

Please contact the International Office if clarification/assistance is required.

Payment of fees

All fees are payable in Australian dollars. Fees may be paid to Canning College by:

1. Flywire (by peertransfer) – international payments system introduced in 2016
   https://www.peertransfer.com/
2. Telegraphic Transfers
3. Cheque – bank
4. Credit card (Visa and Master cards only)

Please allow up to AUD30 for bank charges and fees.

Please ensure that a copy of the transfer receipt is sent by fax or email to the International Office and the student’s full name appears on the transfer receipt.

5. EFTPOS debit cards are accepted for payments made directly at the International Office. (Students are advised not to carry large quantities of cash to pay fees and be aware of daily debit limits).

Note: Failure to pay the required fee by the specified date may incur a $200 penalty - late payment fee.

On receipt of the fees, and all acceptance documents, Canning will issue an official receipt and the eCoE as may be required. Payment of fees is deemed to confirm that the student has accepted the conditions of enrolment as outlined in this brochure and provided with the letter of offer.

Key steps – these may vary according to DIBP regulations applying to the student’s country of origin.*

1. Submit complete set of application documents to Canning College; directly or through your education consultant/agent.
2. On evaluation, Canning will issue a Letter of Offer and supporting documents.
3. Payment of fees and submission of acceptance documents confirms enrolment. Fees cannot be accepted without ALL relevant acceptance documents.
4. Canning issues eCoE and other documents as required for the finalising the student visa process. Other documents required include – Letter of Offer, medical examination results, proof of OSHC, proof of financial capacity, care arrangements for under 18 aged students (if applicable). Students must comply with Genuine Temporary Entrant (GTE) requirements.
5. Student completes the student visa application process.

* The assessment level (AL) determines the actual requirements imposed by DIBP. Assessment levels have different evidentiary requirements. See the latest information: https://www.border.gov.au/Busi/Educ/policy-overview-combined-country-and-provider-immigration-risk. Contact the International Office or a registered education agent for information.

REFUND POLICY

Conditions for applying for a refund

The following refunds apply:

a) Student is denied a visa by the Australian Government. No written agreement applies: refund of all course fees less an administration fee of up to A$500.

b) Student withdraws or transfers more than 10 weeks before the program commences. Refund of all course fees paid less an administration fee of up to 10% or $1000.00, whichever is the lesser.

c) Student withdraws or has enrolment arrangements cancelled due to not meeting English language requirements after undertaking linked ELICOS studies, refund of all course fees paid less an administration fee of up to 10% or $1000.00, whichever is the lesser.

d) Student loses Good Standing status due to failure to comply with attendance, behaviour or subject work requirements (including meeting assignment deadlines, sitting for scheduled tests and examinations); all course fees for the current semester are forfeited and standard refund policy conditions are applied to any subsequent semesters, from the date of termination.

e) Where a student has paid a deposit for a package principal course at Canning and withdraws after completing the preliminary course and prior to commencement of the principal course, the deposit will be refunded less an administration fee of up to 10%. If the student withdraws after the commencement date, the deposit is forfeited.

f) Student withdraws or transfers:

<table>

<td>No refund.</td>
</tr>
</tbody>
</table>

g) This agreement (policy) does not remove the right of the student or college to take further action under Australia’s consumer protection laws or general legal processes.

h) Any refund will be issued within seven working days of the student submitting all clearance documents. Refunds will be made according to instructions from the person who confirmed/accepted the student’s enrolment and arranged for payment of fees.

i) Applications for refunds must be in writing and addressed to the Director – International Office.

j) If the nominated course is unable to be provided by the College, then, fees paid will be refunded in full or alternative comparable placements arranged.
International Student Application Form 2017-2018

This application form is for international students applying to study onshore in Australia. Applications received without transcripts and/or student's complete personal details cannot be processed. All sections must be completed.

Have you applied for Australian permanent residency status? □ Y □ N  If yes, date of application: _____/_____/_____

Note: If you obtain Australian permanent residency at any stage during the application process, you will need to advise the International Student Office immediately.

Conditions of Application/Enrolment

Please read carefully – Applicants should keep a copy of this form and a signed copy MUST be lodged with the College prior to any fees being paid. An eCoE will not be issued until the college receives the signed copy of this document.

I understand the following conditions apply to my application and enrolment as outlined on the Letter of Offer and Acceptance. Please note that additional information on any of these matters can be obtained from the International Office (details below).

1. Course fee
   Where courses are less than 20 weeks in length, the entire course fee must be paid prior to enrolment being confirmed.
   Where courses are more than 20 weeks in length, payment of course fees is to be made in two instalments related to two study periods. The first study period is the first semester of the academic program. The second study period is the second semester of the academic program. 50% of fees due (see fees payable on Offer of Enrolment) must be paid prior to the commencement of the first study period. The remaining 50% of fees must be paid two weeks prior to the commencement of the second study period.
   Course fees and Overseas Student Health Cover (OSHC) are to be paid at least one month prior to the commencement date of the course. All payments are to be made in Australian dollars and payable to Canning College. The e-Confirmation of Enrolment will then be issued and visa procedures may be completed.
   Late payment of fees – A$200 penalty fee may apply to any fees required two weeks after the due payment date.

2. Orientation Program
   Attendance at this program is compulsory for all new students from overseas. For students who have previously studied in Australia, a special compulsory “day program” is offered.

3. Continued enrolment
   Depends on the student meeting visa conditions (including attendance and academic progress), complying with college behavioural requirements including welfare arrangements, special conditions as shown in the Letter of Offer and payment of course fees as required.

4. Accommodation
   The College will assist students in finding suitable accommodation for the enrolment period. Accommodation placement service provided by Canning College is included in course fee. Students under 18 are required to use the services of Australian Homestay Network unless staying with approved family. AHN charge a placement service fee.

5. Excursion Permission
   The student may attend any excursion organised and approved by College staff as part of the Orientation, teaching/learning or recreation programs. For students under 18 years of age, a permission form must be signed by the parent(s), guardian, carer or (maybe Canning Staff Member).

6. Termination of Study
   Failure to abide by the College’s and / or Government regulations may result in termination of enrolment. See Breaches of Attendance, Behaviour and Academic Progress Requirements.

7. Under 18 aged students.
   For the care and well-being of students they are required to adhere to the College’s policy and procedures for students under 18 years of age. Details will be provided in a special document. Any change in welfare or accommodation arrangements must have prior approval from the College and parent(s)/legal guardian. Canning College is authorised to provide parents with information regarding behaviour, attendance and academic progress.

8. Grievances
   Policy and procedure documents are issued and explained during Orientation. In the case of a grievance you have the right to take further action under Australia’s consumer protection laws. Students can also access the Conciliator, appointed by the Western Australian government, where disputes may require a negotiated settlement. External conciliation is through the WA Ombudsman.

9. School-Aged Dependents
   Students with school-aged dependants (children) are required to pay full fees (ranging from about A$6,000 to A$20,000 per year) if they are enrolled in non-government or government schools.

10. Personal Information
    As a registered provider, Canning College is required to provide certain information to students to various government departments in accordance with the requirements of the ESOS Act. Such departments include the Tuition Protection Service and Immigration (DIBP) where information regarding enrolment changes and breaches of attendance/academic performance requirements must be reported. Students are required to notify the College within 7 days of a change of address or contact details.

11. Provider default
    If for any reason the college is unable to offer a course prior to or after commencement, then, the college will try to place the student in an acceptable alternative course. If this cannot be achieved, then, the college will refund any unspent tuition fees. In the event of the college not being able to provide a suitable alternative course or refund, then, the student will be referred to the Tuition Protection Service: https://tps.gov.au

12. Application Information
    Information presented with an application must be true and correct. An enrolment may be terminated if incorrect information is provided. This includes documents submitted under Streamline Visa Processing (SVP) arrangements.

13. Urgent Medical Care
    In the event of circumstances requiring urgent medical care and it is not possible to contact the parent/guardian, the College is authorised to seek and provide appropriate medical treatment. Any important medical information is provided to the College.

14. Course materials
    Student acquires any required text books and materials (eg approved calculator) necessary for effective participation in the teaching/learning programs associated with the course.
